

Newbury Elementary School PTA 2018-2019 Membership

Are you interested in supporting your child? Do you have concerns about the health and safety of children and youth in general and the educational opportunities available to them? Would you like to be more involved in encouraging your children's growth, supporting better education, more resources, and safer schools for every child?

There's a simple way for you see this happen at your school: Join the NES PTA.

NES PTA helps parents, students, school staff, and our community work together to share ideas about programs and activities that benefit children. We have been instrumental in promoting student achievement and supporting academic programs.

In the past year, we have:

- *Purchased a new chrome cart and 30 new chrome books*
- *Brought in enrichment programs like artist Rob Surette and his Amazing Hero Art*
- *Hosted many fun-filled community events like the Annual Halloween party and Holiday Bazaar*

We know there is strength in numbers, and the NES PTA invites you to join with us as we advocate for all children with one voice. When families partner with schools; children succeed. The PTA welcomes all parents, students, teachers, staff, grandparents, community members and neighbors. Your NES PTA membership includes state and national PTA memberships, and gives you access to online parenting and teaching tools, plus special discounts and unique deals at the following:
